

Thank you for choosing the Las Vegas Explorer Pass!

Welcome to fabulous Las Vegas, the city where the party never stops. What happens in Vegas doesn't have to stay in Vegas—the Las Vegas Explorer Pass® is your ticket to an unforgettable trip—with all the best attractions, tours, shows, and activities. The Vegas Strip consists of 4.2 miles of casinos, hotels, restaurants, and things to do, making it one of the most visited destinations in the world. Be sure to spend a little time outside when in town; the iconic city skyline is made up of lots of unique architecture.

Choose attractions as you go and take your time. Once you activate your pass by visiting your first attraction, your pass is good for 30 days. Choose from over 10 popular Las Vegas Strip attractions and shows, including Big Bus Day Tour, Madame Tussauds, Vegas Rockstar Club Tour, High Roller at The LINQ, The Stratosphere, The Ultimate Variety Show at V Theater, and more.

Las Vegas Explorer Pass®

This packet contains your admission pass(es)

Your pass is required for admission at each attraction. Please print it out, carry it with you and retain it after each visit.

How to use your admission pass

Every pass has a unique code. A representative at the attraction will scan the code on each traveler's pass, granting you admission. For special offers at shops and restaurants, show your pass to your server or cashier.

Be aware of admission policies

Please read attraction information for hours, closings, and special admission instructions. Attractions with the **R** symbol require reservations. Attractions displaying **T** require you to pick up tickets at a separate location.

Pass expiration

Visiting your first attraction activates your pass. You have 30 calendar days to use your pass. You may visit each attraction once with the exception of shows at the V Theater; each show counts as one attraction. You have one year from the purchase date to use your pass.

Need help?

If you need assistance with your pass please call us at 866-628-9036. If you lose your pass, reprint it at any time from your order confirmation email, or by using Order Lookup at smartdestinations.com.
