

This packet contains your admission pass(es)

Your pass is required for admission at each attraction. Please print it out, carry it with you and retain it after each visit.

NOTE: Please have passes for each member of your party ready to be scanned when you visit each attraction.

How to use your admission pass

Every pass has a unique code. A representative at the attraction will scan the code on each traveler's pass, granting you admission. For special offers at shops and restaurants, show your pass to your server or cashier.

Be aware of admission policies

Please read attraction information for hours, closings, and special admission instructions. Attractions with the **R** symbol require reservations. Attractions displaying **T** require you to pick up tickets at a separate location.

Pass expiration

Visiting your first attraction activates your pass. Then, your pass is good for the number of consecutive calendar days you purchased.

You have one year from the purchase date to begin using your pass.
